Aspen's Ed Buckley to Lead Brand Initiatives

October X, 2018 – Maryland – [Aspen Grove Solutions](#) (Aspen), a leading provider of property servicing solutions to the mortgage services industry, announced that after many years guiding Aspen to an industry-leading leading position, president Ed Buckley will be stepping back from day-to-day operations, effective January 1, 2019. Starting in the new year, Buckley will transition to a role as the company's Brand Ambassador.

"Ed has been instrumental in bringing property management into the center of servicing while ensuring loan servicing, invoicing, and claims platforms are appropriately updated," said Sean Ryan, CEO of Aspen Grove Solutions. "Ed is unique in his ability to embrace an industry, build a shared vision with that industry, and then deliver with integrity and in partnership. All qualities that make him the ideal Brand Ambassador for Aspen."

As Brand Ambassador, Buckley will continue to lead key strategic initiatives for Aspen centered around diversity and inclusion and veteran support. He will continue to represent Aspen as Chair of the Supply Chain Committee within the [American Mortgage Diversity Council](#) and as a [Member of the Veteran Financial Services Advisory Council](#) (VFSAC). Buckley is the Tournament Chairman of the First Annual VFSAC Golf Classic benefiting our U.S. Military & Veterans Families taking place at the Stonebriar Country Club in Frisco, Texas on May 14, 2019.

"I enjoy building solutions that deliver better outcomes," Buckley said. "With the support of Aspen team, and in particular CEO Sean Ryan, I believe we have succeeded in that delivery during my time as president. While I now turn my attention to my new role, I do so with the certainty that the solution delivery culture within Aspen will not only continue but grow and extend to benefit military veterans and the diversity and inclusion mission."

About Aspen

Founded in Boston, MA, and now based in Frederick, MD, Aspen Grove Solutions (Aspen) has been providing technology solutions to the mortgage default services industry since 1997. Aspen's property servicing platform is unique to the industry. By focusing on solutions to manage everything to do with the property asset while complementing loan servicing, Aspen is revolutionizing default servicing. Servicers are reaping the benefits of having a single view of everything that happens on the asset level, no matter which third-party vendor or internal team member carries out the work. Aspen believes that better outcomes for servicers leads to better outcomes for borrowers.
